DAILY DEMOCRAT-FORUM

LARGEST CIRCULATION OF ANY DAILY PAPER IN ANY MISSOURI TOWN OF 5000 POPULATION

VOLUME 5. MARYVILLE, MISSOURI, FRIDAY, MARCH 26, 1915. NO. 254.

FAVOR A PICKED LYCEUM PROGRAM

LOCAL ASSOCIATION BELIEVES INDEPENDENT COURSE BEST.

ELECT OFFICERS; W. R. JACKSON, HEAD

Commercial Club Secretary Will Choose Three Committees to Arrange for 1915-16 Talent.

A regular meeting of the Maryville Lyceum association was held in the Commercial club rooms yesterday afternoon to elect officers for the ensuing year and to discuss plans for next season's offering. While no definite stand was taken, the general understanding among the eleven persons present was that the association could obtain better talent, though probably at greater cost, by working independently than by arranging with some lyceum bureau for the talent.

This matter will be left to the talent committee of three persons to be decided, with the stipulation that bookings should be made with a bureau, if one can be found which seems to offer the talent best suited to this city Otherwise, it was suggested that the association act independently of any bureau again this coming season.

Jackson Heads Association.

In the election, W. R. Jackson, secretary of the Commercial club, was chosen president to succeed Prof. G. H. Colbert, while Prof. W. M. Westbrook, city school superintendent, was re-elected vice president. The Rev. R. L. Finch succeeds the Rev. G. S. Cox as secretary, and Prof. Colbert will take the place of Prof. Ira Richardson as treasurer.

The three committees of the association will be appointed soon by President Jackson. The committees are on talent, advertising and sales of tickets and on general arrangements. Each will probably consist of three members of the association.

12 or 15 Representatives There.

The meeting yesterday was attended by the following representatives: The Rev. R. L. Finch, the Rev. G. S. Cox, the Rev. S. D. Harkness, W. M. Westbrook, W. R. Jackson, Prof. G. H. Colbert, Mrs. Eugene Ogden, of the Mutual Improvement Circle; Mrs. C. C. Corwin of the City Federation of Women's Clubs; Mrs. S. E. Farmer, representing the Parent-Teachers' association; Mrs. D. J. Thomas, representing the Twentieth Century club; Mrs. E. G. Orear, representing the Daughters of the American Revolution.

NORMAL SENIORS TO GIVE SHOW.

Real Circus Will Be Staged Tonight—to Be Annual Event.

The senior class of the State Normal school will give its annual circus in the Normal auditorium tonight, beginning at 8 o'clock. While it has never been definitely fixed as an annual event, one is generally held each spring, and it is the intention now to fully establish it as an annual event.

Each of the student organizations will be represented in the side shows and the school faculty also will put on a stunt. A parade headed by a brass band is planned to start the show off, while other paraphernalia and attractions incident to the real circus are on the program.

Market Live Stock.

F. R. Peoples of Skidmore, Roscoe & Eaton of Barnard and J. M. Slagle of Ravenwood marketed live stock in St. Joseph yesterday.

Mrs. Edward Hamlin and daughter, Isabel, returned last night from a few days visit with friends in St. Joseph

TO PICK TOWNSHIP RACERS

Many Nodaway Districts Will Choose Democratic and Republican Candidates Tomorrow.

The Democrats and Republicans of several townships in Nodaway county will choose candidates tomorrow afternoon for the various township offices to be filled in the elections to be held Tuesday, March 30. Those that did not choose the racers last Saturday or the Saturday preceding will meet tomorrow for this purpose.

Among the meetings tomorrow afternoon are:

Hughes Republicans at Graham opera house at 2 o'clock.

North Independence Democrats at Gaynor City at 1:30 o'clock.

South Independence Democrats at Parnell at 1:30 o'clock.

Hopkins Democrats and Republicans at Hopkins at 2 o'clock.

Washington Democrats and Republicans at Guilford at 2 o'clock.

Atchison Democrats and Republicans at Clearmont at 1:30 o'clock.

Union Republicans at Pickering at 1:30 o'clock.

Each will select a candidate for collector, constable, assessor, trustee, two justices of the peace and two members of the township board.

The only contest so far in the Democratic ranks in Hopkins township is for the office of collector, Frank Melick and Al Kysar aspiring for the nomination.

In the Republican camp there is a little more stir, there being four candidates for collector. They are Col. Porter, Edward Fike, Cecil Appleton and Edward Corwin. There are three candidates for assessor, they being Henry Wray, Harry Bollinger and Perry Chambers.

MAY MAKE ROAD REPAIR.

County Officials Inspect Highway Grade Near Burlington Junction.

The grade of the highway near the George Surface farm, southwest of Burlington Junction, may be changed to correct excavations made several months ago, following an inspection of the place this week by W. M. Blackford, presiding judge of the county court, and J. E. Reese, county highway engineer.

Some time ago a deep excavation had been made on each side of the road to get dirt for the grade, and these holes have been full of water for several months, making the road very muddy and at times almost impassable. According to present plans the water will be drained by a ditch going west to the large ditch near the McMackin land, or the grade will be raised so the water will not damage it.

SUE 18 FOR POLL TAX.

City Says Delinquents Were "Dunned," But None Appeared With Excuse.

Suits for the collection of delinquent poll taxes were filed yesterday by City Attorney W. H. Crawford in Justice R. L. McDougal's court against J. E. Dale, Bard Frazer, D. E. Thompson, William Grammer, R. M. Cummings, Harley Swift, Ollie Laughlin, R. B. Campbell, A. J. Cozad, James Conklin, Jr., Roy O. Yeaman, Hugh Armstrong, George Hammond, George Ousley, Jesse Conklin, J. G. Stout, Dick Martin and Clarence C. Baker.

Each has been requested to pay, but failed to appear before the council with excuse or the tax money, it is alleged.

To Improve Clearmont Cemetery.

The Clearmont Cemetery Association, composed entirely of women, is making preparations this week, for a general improvement of the cemetery grounds as soon as the weather becomes more mild. One feature of the association is that no debts are ever contracted.

Mr. and Mrs. Bernard Vanscoy of Hopkins spent the day visiting in Maryville.

PLAY FINAL GAME

HIGH SCHOOL BASKETEERS MEET MOUND CITY TONIGHT.

PLAN 3 SPRING MEETS

Local Athletes Will Enter Normal Meet, a "Home" One, and Also May Contest at Tarkio.

The high school basket ball team left this morning for Mound City to play its final game of the season with the high school team of that place. The Maryville bunch will be greatly weakened by the absence of Scott, the regular center, from the lineup.

Two other players also were not able to make the trip on account of injuries, Harold Sawyers and Harley Hughes. Those who went are Fred Gray, Merle Selecman, Harry Tilson, Joe Farmer, Harry Messick and Kenneth Van Cleve. Coach Harvey Watson will have charge.

A meeting of those interested in track work was held Monday afternoon. Thirty-six boys attended the meeting, and since then a few more have signified their intention of coming out. Everyone is very enthusiastic about getting down to real training, and it looks now as though the local high school will turn out a fairly good track team this year.

Plan Three Athletic Meets.

Three meets are now in view for the Maryville team. Professor Porter of Tarkio college spoke to the boys at the high school Wednesday afternoon and gave the local school an invitation to send a team to the meet to be held at Tarkio on May 7. If the team shows up well this year the invitation will probably be accepted. The other two meets for the high school in the annual inter-scholastic meet to be held here April 23 and 24, and a "home meet," which will just be between the students of this high school. The date for this has not been decided upon.

The boys are training daily, outdoors when possible and in the halls and gymnasium of the high school building during bad weather. An excellent opportunity for the high school boys has been offered by H. P. Swinehart, track coach at the Normal, in an invitation to the high school to train with the Normal boys.

SOME FISH LAW CHANGES

Legislature Amends Several Features—Heavy Penalties for Violations Extend Squirrel Season.

The revision of the code laws governing the protection of game and fish is a law, as it has been signed today by Governor Major, the measure carrying an emergency clause, which was adopted by the general assembly

It makes numerous changes in the game and fish laws.

The open season for shooting squirrels under the new law will be from June to December

For quail and woodcock from November 10 to December 31

The dove season is from August 1 to November 10

These are the only changes in the game seasons. The bag limit for quail is ten per day, but permits twenty in possession after more than one day of shooting.

Selling game is prohibited as is the storing of game in a commission house, cold storage or other commercial establishment.

Soliciting illegal shipments of game or fish in any manner is prohibited under penalty of fine ranging from $50 to $200.

There are many changes in the law relating to fishing. The shooting of fish is prohibited, as are hand fishing, logging and rock fishing.

Gigging fish is prohibited during the months of January, February, March, April and December. In the season in which gigging is permitted not more than fifty pounds can be taken in that manner in one day.

April and May are the closed months for fishing and during these months fish can be caught only by single hook and line with natural bait.

All fish caught in seines and nets and not used must under penalty of fine be returned to the stream from which they were taken if too small for use and all game fish caught in minnow seines must be returned to the stream, and fish too large for bait must also be returned under heavy penalties for failure to comply with this provision.

John Muts has returned from a three week's trip through California and western points of interest.

TURKS INSULT AMERICANS

U. S. Missionaries in Persia Were Beaten at Consul's Direction, Reported.

By American Press.

Tiflis, Russia, March 26.—Turkish troops have committed further acts of violence at the American Presbyterian mission in Urumiah, Persia.

Gordon Paddock, American consul at Tabriz, transmits a message from Missionary Robert M. Labree at Urumiah, to the effect that the Turkish consul at Urumiah forced his way into the mission compound with a number of Turkish regular troops and removed some Assyrian Christian refugees who were then massacred.

The Turks also beat and insulted the American missionaries.

HOLD MEN'S MEET SUNDAY

Presbyterian Evangelistic Services Well Attended—Special Music Tonight.

In addition to the regular services Sunday at the First Presbyterian church, a special meeting for men will be held in the afternoon and an address will be given by the pastor, the Rev. S. D. Harkness. The Rev. G. S. Cox, pastor of the First Methodist church, will sing.

Tomorrow night at 6 o'clock the Presbyterian business men of the city will hold a second personal workers' conference and supper, and this will be preceded by a fifteen minute prayer meeting at the D. E. Hotchkin store.

At the service tonight there will be a special musical program, which will include a solo by the Rev. Mr. Cox.

Last night the Rev. Mr. Harkness spoke from the subject "The Lost Christ." Miss Helen Todd sang the solo "Softly and Tenderly Jesus is Calling."

The text from which the Rev. Mr. Harkness spoke was "I go a fishing. We also go with thee," and he began his sermon by a description of the seven disciples standing upon the shores of Galilee, and followed by saying: "The place was one eloquent with the memories of days when Christ had been with them, and their minds and hearts were filled with the thoughts of the time, when on this identical spot Christ had walked upon the sea, rebuking the turbulent waves and when a great calm had come, He preached from Simon's boat to the multitude.

"The mountain to the back of them was the one into which Christ retired at eventime to pray. The place was one where a greater part of Christ's ministry was spent and when the disciples met again without Christ they felt their loss of Him.

"These men in their loss only typify the many men of the world who have lost Christ, either by an obtusion of soul or a paralysis of faith. Even when Christ is lost a sense of duty remains with these men. The only conception they had of their duty was that they should be fishers of fish.

"They were in possession of all facts to make themselves fishers of men and evangelize the world. But in their low plane of conception, all they understood was the necessity of making a living."

"The conception of duty may be small but clearly fixed. For instance, going to church may be a small thing, but through it Christ may be found. A discussion of religious life may appear to be a small thing, the embarrassed prayer of the penitent is a small thing, but through such small things to us Christ may be found.

"Christ is found through duty. He can supply all our needs and is a sufficiency for all our wants. When morning broke and the disciples went forth, Christ called to them to cast their nets on the right side of the boat, and they did, and the nets were filled. If we cast our net of faith into the sea it will come up filled with blessings and we will find Christ through duty."

Receives California Fruit.

A. L. Nash yesterday received a box of oranges from his uncle, George W. Long of Pomona, Cal., and he has been sharing the fruit with his various friends here. Mr. Long went to Pomona last fall and is making his home with his daughter, Mrs. B. F. Whipp. The fruit was of an extremely luscious sort and was sent with the special packing of "Orange day," recently celebrated in California.

Clearmont Has Diptheria.

A case of diptheria has been reported in Clearmont this week. The afflicted person is Mrs. Duncan, the wife of a harness maker who moved there from Omaha recently. No other cases are reported and every safeguard is being taken to keep it confined, it is said.

CONGRESS DID LOTS

MANY CONSTRUCTIVE MEASURES ADOPTED IN HARD SESSION.

NEW ERA IN BUSINESS

W. C. Van Cleve, Writing from Washington, Says Next Assembly Will Contain Few More Democrats.

(By W. C. Van Cleve)

Washington, D. C., March 22.—Although congress doesn't directly add more than three thousand people to the population of Washington during its sessions, yet the capitol section of the city takes on the appearance of a deserted village very soon after an adjournment of congress. As rapidly as members and regular employees can close up their business and clear their desks of unfinished work this big family scatters to the four corners of the nation.

Only a comparatively small number remain between sessions, which number includes an abbreviated force in the disbursing offices, the document rooms and folding rooms, elevator men and laborers, the house postoffice and the force under the custodian of the public buildings.

A number of congressmen still remain. Several are from adjoining states and a number are lame duck members who are nursing prospects for federal appointments. Several have already been taken care of and more are willing to be. Most of the old members were glad enough to get away, and lost no time in getting their effects to the railroad station.

* * *

The congress just closed was a record breaker in many ways. It was in session more days and more hours than any other congress in this country. It accomplished a vast amount of constructive legislation and did an enormous amount of hard work. It revised the tariff, it reorganized the banking and currency system of the country, it passed a complete revision of the immigration laws, it created the federal trade commission, it amended the anti-trust laws, passed the seaman's bill, provided by the development of Alaska and the building of a railroad there, enacted important laws relating to the merchant marine and many other measures of far reaching effect.

The postoffice appropriation bill and the Indian appropriation bill, both carrying important new legislation, failed in conference after passing both senate and house. The ship purchase bill failed because of the Republican filibuster. Altogether it has been the most industrious and productive congress yet held.

* * *

There will be about 140 changes in the house at the next congress, and the majority will be much less than in this congress, though the Democrats will still retain control. Just what influence the president can hold in the next congress remains to be seen. In the sixty-third his wishes were promptly met and he found the majority always upholding his administration.

Speaker Clark and Majority Leader Underwood supported him like a stone wall in every case except in the repeal of the Panama canal tolls act. In the next congress, however, the majority will only be about thirty and half of that number are Tammany men from New York. The president and Tammany have not been able to agree on New York patronage, and he has turned down their recommendations with great regularity until there is much growling in the tiger's lair. If the Republicans line up as they are expected to do there will be many hot scrimmages.

* * *

Despite a never ending train of adverse circumstances the business of the country is rapidly improving, and an era of unprecedented prosperity is due with the close of the European war. The recent blockade declared by the allies was the worst blow yet dealt to the commerce of this country. Yet, despite it all business has gone ahead, the exportations of American goods shows a handsome increase over last year, the trade balances in favor of this country continue to grow and foreign gold is rolling into our coffers.

The United States steel corporation, the biggest single business enterprise in the country, reports a promising outlook and activity has been resumed in the stocks of the company. The railroads are doing better, notwithstanding the universal and organized cry for increased rates, and many factories have reopened their doors and invited their workmen back. When the war is over, which we all hope will be soon, the United States will have the biggest world's trade it has ever known.

* * *

American export commerce for February exceeded by $100,000,000 the business recorded for that month in any previous year, according to figures given out yesterday by the department of commerce. The total for the month was $298,727,757, against $173,920,145 for February, 1914, and $198,844,326 for February, 1912, the previous high record February. The excess over imports for the month was $173,604,366.

February imports totaled $125,123,391, against $148,044,776 for the same month in 1914.

A review of the eight month period ending March 1, 1915, shows that imports have decreased 13.2 per cent and exports 3.7 per cent, compared with the same period of the preceding year. The result is a net favorable trade balance for the eight months of $577,756,278.

HOPKINS PICKS ORATOR

Miss Ica Applegate Will Represent High School in Normal Contest April 23.

Miss Ica Applegate was the successful contestant in the choice at Hopkins last night of a person to represent the high school of that city in the inter-high school oratorical and declamatory contest to be held at the Normal here April 23. But two others tried for the honor. They were Miss Frances Ditmer and Miss Ruth Ham. No boys were contestants.

Miss Applegate also represented Hopkins in the Nodaway county high school oratorical contest held at the high school here several weeks ago.

IS SLAIN BY TRAMPS

Son-in-Law of August Stelter of Clearmont Killed at Dennison, Texas.

Lewis Stelter, living near Clearmont, left last night for Dennison, Texas, called there by the death of his brother-in-law, John W. Rayns, who was killed yesterday at Fort Worth, Texas.

Mr. Rayns was a brakeman in the employ of the Missouri, Kansas & Texas railroad. Yesterday morning trainmen found the body of Rayns and another brakeman, Joseph Jackson, on the top of a freight car. They had been shot and their heads were crushed. It is believed they had tried to eject tramps from the train and were slain in the fight which followed.

Mrs. Rayns is a daughter of Mr. and Mrs. August Stelter of Clearmont and a sister of Mrs. A. H. Lemon, living northwest of Maryville.

MRS. C. C. SMITH DEAD.

Funeral Services Will Be Held Tomorrow Afternoon at Home.

The funeral services for Mrs. C. C. Smith, who died yesterday afternoon at her home, on Prather avenue, will be held at 2 o'clock Saturday afternoon at the family home, conducted by the Rev. R. L. Finch, pastor of the First Christian church. The interment will be made in Miriam cemetery.

Mrs. Smith had been ill for several months. Her death was due to pneumonia, which developed within the last week. She is survived by her husband and four children—Elsie, Mabel, Cecil and Gertrude. Another daughter died six years ago in this city. Mr. Smith is employed as janitor at the Normal.

BENEFIT PLAY FOR W. C. T. U.

"John Barleycorn" to Be given for Local Organization.

A benefit production of "John Barleycorn" will be given at the Fern theater on the night of April 2, for the W. C. T. U.

The picture is a filmized drama by Jack London, and is said to be the story of his own life. The picture has been secured by the W. C. T. U. for its moral and educational value, as well as the money benefit.

ITALY REFUSES AUSTRIAN OFFERS

EFFORTS OF GERMANY TO PACIFY LATIN COUNTRY FAILS.

DID NOT CONSIDER THE FINAL CESSION

Prince Von Buelow, German Ambassador, Resigns as Mediator Following Failure of Peace Parley.

By American Press.

Rome, March 26.—Efforts of Prince Von Buelow, German ambassador to Italy, to bring about an agreement between the Italian and the Austrian governments regarding the cession by Austria of territory in the south part of that country to Italy, to keep Italy from going to war, have definitely failed, according to the Agenziak National.

It says it is informed from a reliable source that when the last courier from Vienna brought Austria's final terms, they were of such nature that he didn't consider it worth while to submit them to the foreign office here.

It is reported that Prince Von Beulow has resigned the role of mediator between the two countries, following this inability to bring about any form of agreement between the two countries.

Italy's demands upon Austria-Hungary as the price of peace include a sweep of territory to the north and east which would extend her boundary around the northern end of the Adriatic sea as far south as Fiume on the eastern coast. This would include the Austrian naval base at Pola, as well as the provinces of Trent and Triest, acquisition of which has been Italy's long cherished aspiration. The concessions which Austria is believed to be willing to make are insignificant as compared with the demands.

FIND U. S. SUBMARINE SUNK

Government Tugs Fasten Grappling Hooks to Sunken F-4 at 35 Fathoms Depth.

By American Press.

Honolulu, March 26.—Early today the government tug Navajo, which was assisted by another tug, in sweeping the bottom of the harbor, two miles from Honolulu, with grappling hooks, in an effort to find the submerged U. S. submarine F-4, reported their lines fast at a depth of thirty-five fathoms, to what was believed to be the lost American submarine.

It cannot be determined yet whether the crew is still alive, nor what caused the forced submersion.

TWO MORE FOR CITY JOBS.

M. A. Peery for Third Ward Alderman—Ed F. Hamlin for First Ward

Two more Democrats announced their candidacies this morning for city councilmen, subject to the general election to be held Tuesday, April 6. M. A. Peery, former county title examiner and who is connected with the Sisson Loan & Title Company, seeks the Third ward aldermanic position.

Ed F. Hamlin, former Polk township assessor, would be councilman from the First ward.

200 MEN TO FEAST

CHRISTIAN CHURCH BROTHERHOOD CELEBRATES CAMPAIGN.

IOWA PASTOR TO SPEAK

The Rev. F. S. Idleman, Des Moines, to Make Address Tonight—Defeated Team Will "Wait Tables."

Approximately 200 men will sit down to a banquet in the First Christian church at 7 o'clock tonight, in celebration of a membership campaign closed recently with the addition of 232 members to the Men's Brotherhood of the First Christian church. The food will be served by members of the Ladies' Aid society, while the waiting service will be performed by nineteen members of the defeated team in the membership campaign.

Following the banquet, an address will be delivered by Dr. Finis S. Idleman, pastor of the Central Christian church at Des Moines, Ia. Ellis G. Cook, captain of the defeated membership team, will act as toastmaster. George Pat Wright, the Rev. Robert L. Finch, pastor, and Fred P. Robinson each will make a short talk preceding Dr. Idleman's address. Music during the banquet will be furnished by the Sunday school orchestra.

To Dine in Groups.

The different groups of banqueters will be arranged at separate tables, according to present plans. One table will be provided for visitors, one or two for new members of the church, one for visiting ministers and presidents of the various church brotherhoods of the city, another for members of the Men's Brotherhood who do not belong to the church, and still another for members of both the brotherhood and church.

Those composing the defeated membership team, who will "wait tables" tonight, are: Edward Gray, John McDougal, F. L. Flynt, Walton C. Frank, W. H. Gilbert, W. E. Goforth, Herschel Wiles, Arthur S. Robey, W. B. Porter, U. S. Wright, J. H. Vanhorn, James D. Frank Eugene Rathbun, O. W. Swinford, W. W. Glass, A. E. Bell, William Armstrong, Virgil Lyle and Ellis G. Cook.

In the campaign the team captained by G. B. Roseberry secured 142 members, while Cook's team obtained the remaining ninety members.

IF MEALS HIT BACK AND STOMACH SOURS

"Pape's Diapepsin" Ends Indigestion, Gas, Dyspepsia and Stomach Misery in Five Minutes.

If what you just ate is souring in your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can get blessed relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diapepsin, then you will understand why dyspeptic troubles of all kinds must go, and why they relieve sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapepsin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but, what will please you most, is that you will feel that your stomach and intestines are clean and fresh ,and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapepsin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery.

Get some now, this minute, and rid yourself of stomach trouble and indigestion in five minutes.

SHOULD DRAG ROAD

FARMERS URGED TO PREPARE BEFORE SPRING RAINS.

WORK TO STOP IT SOON

Farm Operations Will Keep Rural Residents Too Busy in Few Days to Watch Highways, Argued.

Drag the roads now.

That is the edict that goes out from persons versed in the gentle art of rubbing down the rough spots and muddy gulches of the public highways. And many farmers over Nodaway county are heeding the advice, but there yet are many, many miles of roads in this county which will perhaps go undragged and unattended as they should be at this time, it is said.

One reason why it is believed many of the roads will be slighted is that just as soon as the farmers can get in the fields they will do so, and leave the roads "go hang." And one cannot blame them, either. For oats should have been sown and up by this time, while gardens should be planted and the spring plowing for corn should be under way.

Drag Before Fields Are Ready.

So that just as soon as the ground can be worked every farm horse and farm hand will be there from soon after sun up until nearly sun down, making up for lost time. The roads will need dragging everywhere, all realize that—but that will have to be done before the fields can be worked. For that reason it is being urged that the dragging be done now, before they become too dry and the clods form.

For use on the roads before a split log drag can be properly used, because of the mud, one road expert has given this advice:

"The best drag for immediate use is the float, so shaped that when it is run over the mud it will mash the bumps and rugged places down into the ruts and make a smooth surface. The moisture will be squeezed out of the ground and thus the drying of the roads will be materially hastened.

Is Easily Constructed.

"The float which is used for this purpose is constructed like an ordinary boy's sled, with the exception that the floor is on the other side of the runners. One built on a small basis will best answer the needs of local conditions at present, highway authorities believe.

"This float may be pitched by the shifting of the weight; of, if extra weight is not used, by the shifting of the man's person to the rear of the upturned sled. Thus, instead of dragging, the float will have a tendency to mash the mud down into the roadbed and squeeze the water out where it will be given a chance to run off.

"The weighting of the float and its size will depend entirely on the condition of the mud. But the mud masher and water squeezer should be used as soon as the mud is sufficiently stiffened to hold up the concern."

FRECKLES

February and March Bring Out Unsightly Spots—How to Remove Easily.

The woman with tender skin dreads February and March because they are likely to cover her face with ugly freckles. No matter how thick her veil, the sun and winds have a strong tendency to make her freckle.

Fortunately for her peace of mind the recent discovery of a new prescription, othine—double strength, makes it possible for even those most susceptible to freckles to keep their skin clear and white. No matter how stubborn a case of freckles you have, the double strength othine should remove them.

Get an ounce from your druggist and banish the freckles. Money back if it fails.

A Paying Business

Any business or enterprise which is not paying its owner a profit is a detriment to its owner. No line of business can be run at cost. All parties engaged in trade expect a fair profit on their investment and labor and should be willing to pay the other fellow a fair profit in like manner.

That I have never made more than a fair profit with the Union Bus Line is easily proven by the fact that I am not the possessor of wealth today and pencil and paper would soon convince even one unacquainted with my business that my prices have at all times carried but a small margin of profit.

I have maintained a line of cabs to be used for the most part for funerals. There has never been a day when these cabs made me any money. But what would the people of Maryville have done if someone had not made this investment to take care of the occasional need? An equipment to meet every emergency is very important to you. And your patronage makes it possible for me to furnish this equipment for your occasional needs. Your patronage is solicited and only a reasonable charge will ever be asked for our service.

HOW FRENCH PEOPLE CURE STOMACH TROUBLE.

A household remedy of the French peasantry, consisting of pure vegetable oil, and said to possess wonderful merit in the treatment of stomach, liver and intestinal troubles, has been introduced in this country by George H. Mayr, who for twenty years has been one of the leading down-town druggists of Chicago and who himself was cured by its use. So quick and effective is its action that a single dose is usually enough to bring pronounced relief in the most stubborn cases, and many people who have tried it declare they never heard of anything to produce such remarkable results in so short a time. It is known as Mayr's Wonderful Remedy and can now be had at all leading drug stores. It is sold with the positive understanding that your money will be refunded without question or quibble if ONE bottle fails to give you absolute satisfaction.

WILSON TO METHODISTS

President Declares It Possible For Nation to Be Impartial.

Washington, March 26.—Full confidence in the great body of calm people of the nation who serve as "stabilizers" when the excitable ones try to "rock the boat" in these perilous days was voiced by President Wilson in an address before the Baltimore conference of the Methodist Episcopal church.

The president appealed to the nation for support in administering his office, saying, "If I can speak for you I am powerful, if I cannot, I am weak." He said it was possible for a people to be impartial "when a quarrel is none of theirs." Referring to the danger to missionaries in some foreign lands, of which he said he had thought much of late, he added:

"Wars will never have any ending until men cease to hate one another, cease to be jealous of one another and get the feeling of reality in the brotherhood of mankind, which is the only bond that can make us think justly of one another and act righteously before God himself."

A Child's Prayer to Mother.

"For the body you gave me, the bone and the sinew, the heart and the brain that are yours, my mother, I thank you. I thank you for the light in my eyes, the blood in my veins, for my speech, for my life, for my being. All that I am is from you who bore me.

"For all the love that you gave me, unmeasured from the beginning, my mother, I thank you.

"For your smile in the morning and for the tears you have shed over me, the songs that you sang to me, the prayers you said for me, for your vigils and ministerings.

"For the faith you had in me, the hope you had for me, for your trust and your pride, my mother, I thank you. I thank you for your praise and your chiding, for the justice you bred into me and the honor you made mine. All that I am you taught me.

"For the fears I gave you, for the alarms and the dreads, my mother, forgive me. Forgive me the joys I deprived you, the toils I made for you; for the hours, the days and the years I claimed from you, mother, forgive me.

"For your lessons I did not learn, for your wishes I did not heed, for the counsel I did not obey, my mother, forgive me. Forgive me my pride in my youth and my glory in my strength that forgot the holiness of your years and the veneration of your weakness; for all the great depths of your love that I have not paid, mother, sweet mother, forgive me.

"And may the peace that passeth all understanding be yours, my mother, forever and ever."

Enjoys First Birthday.

Mary Louise Swinehart, the daughter of Prof. and Mrs. H. P. Swinehart, celebrated her first birthday anniversary yesterday, and to make the day pleasant she entertained at a 6 o'clock dinner last night, Virginia and Leola Miller, the daughters of Dr. and Mrs. Jesse Miller.

Mrs. Staples Hostess.

Mrs. Florence Staples entertained the members of the Ladies' Aid society of the First Presbyterian church with a quilting party and tea at her home, on South Buchanan street, yesterday afternoon. A short business meeting preceded the social time, and officers were elected for the coming year. Those chosen were Mrs. O. L. Holmes, president; Mrs. W. H. Crawford, vice president; Mrs. Gallatin Craig, secretary, and Mrs. J. H. Eckles, treasurer.

Indoor Picnic Supper.

The class of the First Christian Sunday school taught by W. A. Miller, enjoyed an indoor picnic supper given at the church last night and at its conclusion formed a picture show party. The girls were chaperoned by Mr. and Mrs. Miller and Mrs. M. T. Henderson and the party included the Misses Edna Ward, Marie Davenport, Gladys Morehouse, Doris Goforth, Blanche Landfather, Mary Miller, Virginia Lawson, Virginia Robinson, Mary Margaret Richey, Etha Henderson Sterrill Bishop, Claudia Hughes, Wilda Keefe, Marie Rice, Clarissa Whaley, Irene Maxwell, Edna Harmon, Ilene Carr, Mildred Eckert, Bernice Westfall Floy Saunders, Edna Hilsabeck, Helen Smith and Gladys Hahn.

Mrs. Braniger Hostess.

Mrs. R. S. Braniger entertained the members of the Women's Relief Corps with a silk rag tacking party and tea yesterday afternoon at her home. Immediately upon arrival the guests presented Mrs. Braniger with an immense bunch of pink carnations. Mrs. J. B. Moore was awarded the prize for sewing the shortest rag. During the afternoon a pleasing musical program was presented by Mrs. Laura Alexander. In serving, Mrs. Braniger was assisted by Mrs. J. M. Smith, Mrs. J. G. Price and Miss Ola King. Those who enjoyed Mrs. Braniger's hospitality were Mrs. M. E. Farrar, president of the corps, Mrs. Laura Moore, Mrs. Jennie Reese, Mrs. Linnie Ford, Mrs. L. L. Catterson, Mrs. G. Wooltex Tailored Suits and Coats in Fullest and Finest Assortments now

IT is most gratifying to make the important selection of a new spring suit or coat while our collections of Wooltex garments are at their height; for naturally we cannot undertake to keep continuously in stock such a large variety of models as is now on exhibition.

Suit No. 1720

THE picture illustrates Wooltex suit No. 1720—a very effective youthful model, which is equally becoming to all slender women. The jacket is in Polo effect, moderately full, with smart pockets on both jacket and skirt. Materials are checks, poplin and covert.

Every day you wait shortens the time of service which the new garment will give you, and likewise every day you wait takes off something of the enjoyment of possessing the new styles while they are at their height.

Women who have been to see the Wooltex exhibition express their delight over the moderateness of the prices that are marked on garments of such excellence and refinement.

The hand-tailoring at the vital points in the apparel, which gives permanency to the shapeliness of the garment, is a Wooltex feature of added cost in the production, which it seems amazing to secure at such moderate prices.

If you have not yet seen our full spring exhibition of Wooltex garments, come at the first moment you can, whether you anticipate buying or not. An equally hearty welcome if you come only to see the new styles.

WILL OBSERVE PALM SUNDAY.

First Methodists to Hear First Special Sermon—Many Musical Numbers.

Palm Sunday will be especially observed at the First Methodist church. At the morning hour of worship there will be a baptismal service and the reception of new members, which will be held before the usual order of services. The musical program will be taken from "The Crucifixion," by Stainer.

The selections will include a baritone solo, the recitative "Could You Not Watch With Me," a chorus number, "Teach Us to Pray," and a baritone solo, "God So Loved the World." The sermon subject of the pastor, the Rev. G. S. Cox, will be the third of the series on the apostle's creed, "I Believe in the Suffering, Death and Burial of Christ." The hour will conclude with a communion service.

Sunday night will be the first of the Passion Week services, and the Rev. Mr. Cox will take for his sermon subject "Behold the Man," taken from the general topic for the week, "The Testimony of His Enemies." The musical program will be an anthem, "They That Sow in Tears," and a solo by the Rev. Mr. Cox.

A Talk to Mothers About Croup and Cold Troubles

The New Treatment With Fresh Air and Antiseptic Vapors That Does Away With Injurious Internal Medicines, Flannel Jackets, etc., etc.

All mothers are "home doctors" when it comes to treating the croup and cold troubles that all children are heir to. They know that growing children need outdoor exercise, and that, with outdoor exercise, some colds are bound to come. They know, too, that internal medicines injure delicate little stomachs, but that these colds must have some kind of treatment.

The answer to this problem is the "external" treatment, Vick's "Vap-O-Rub" Salve. For the many forms of cold troubles, from head colds, asthma and catarrh, down to sore throat, bronchitis and deep chest colds Vick's will be found better than internal medicines. Just apply Vick's well over the throat and chest, covering with a warm flannel cloth. Leave the covering loose around the neck so the vapors, released by the body heat, may be freely inhaled. The next morning the head is clear, phlegm loosed, and soreness gone.

No one realizes the value of an external treatment better than the skilled druggist, and while the profit is not as large on Vick's "Vap-O-Rub" as on internal preparations, the druggists listed below are anxious that their customers should know of this new treatment. They are, therefore, offering Vick's in the three sizes—25c, 50c and $1.00, on 30 days' trial. With each sale is given a refund blank—good for your money back if not delighted.

ADVISE LESS WHEAT EXPORT.

Say Continuance of Foreign Grain Shipments May Endanger Home Stock.

Warning that the present heavy exports to European nations of American wheat and flour cannot be continued without endangering wheat supplies for food and seeding requirements at home is contained in the department of agriculture's agriculture outlook. In the opinion of the department's experts exportation at the same rate as during December, January and February until the coming of the new wheat crop would encroach upon domestic needs.

Investigation has disclosed that there was on March 1, an apparent surplus of 91,000,000 bushels of wheat over domestic requirements for food and seed that was available for export in the four months from March 1 to July 1.

While the exports of wheat including flour, during these four months last year, were 36,000,000 bushels, it is pointed out that those exports during December, January and February last averaged 35,000,000 bushels per month, and if that rate of export is continued until the new crop is available it would amount to 140,000,000 bushels.

The department's investigation did not include inquiries into stocks of flour, but the opinion expressed that they do not show so much reduction as wheat stocks. A factor in the situation indicated by the department is that the Southern states have greatly increased their wheat acreage, the crop of which will be marketable before July 1, and will have the effect of increasing the available supplies between now and that date.

You Can Help

The assistance of our patrons and the people of Maryville is earnestly solicited in reporting immediatly either when their house lights refuse to burn or when a street light is out. Do not wait for us to discover the trouble or for a neighbor to phone; report direct to the office at once. It is easier to fix the trouble early than late. Do not think that when your lights are out that the plant is shut down, that happens so seldom you need not take it into account the cause is usually either on your own premises or on the lines in your neighborhood. Always try your lights immediately after a wind or thunderstorm so you can report any trouble at once.

FEAR U. S. SUBSEA CREW IS LOST

AMERICAN SUBMARINE F-4 LOCATED AT 120 FATHOMS.

CARRIES TWENTY-FIVE MEN ON BOARD

No Signal Heard from Submerged Craft Near Honolulu, and Apprehension Exists Men Suffocated.

Honolulu, March 26.—The American submarine F-4, which was submerged at 9:15 a. m. yesterday two miles off Honolulu harbor, with twenty-five men aboard, was located lying at a depth of 120 fathoms.

Attempts to bring the vessel to the surface with grappling hooks had failed. No signal bells had been heard from the submerged craft and this fact led to fears that the submarine's tanks had burst, suffocating the crew with sulphuric acid fumes.

It was pointed out that a submarine's bell has a wide range and could be heard readily if signals were given.

Rear Admiral Charles B. T. Moore, commanding the Honolulu station, said the men on the F-4 would be in no danger of suffocation ordinarily for at least twenty-four hours, and that if the vessel's air apparatus remained in good order the crew might live a week submerged. He said, however, that the F-4 lacked food supplies.

The F-4 was commanded by Lieutenant Alfred L. Ede.

With three others of the "F" group, the 1, 2 and 3, the F-4 was engaged in target practice. It was not regarded as unusual that the F-4 should remain under water for an hour or more in the course of the maneuvers, but when noon came and the vessel was still submerged anxiety began to be felt. This increased as the afternoon wore on and the other submarines began a systematic search for the F-4. The naval station was notified and other vessels were sent out to aid. Most of the twenty-five men abroad the F-4 are married and have families.

MOTHER! THE CHILD IS COSTIVE, BILIOUS

Don't hesitate! A laxative is necessary if tongue is coated, breath bad or stomach sour.

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your little one is out-of-sorts, half sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrup. Ask your druggist for a 50-cent bottle of "California Syrup of Figs;" then see that it is made by the "California Fig Syrup Company."

SUFFERED 15 YEARS, CURED IN 21 DAYS

Astounding Cures Made by This Remarkable New Discovery.

Gentlemen: For over fifteen years I was afflicted with eczema, covering my arms, legs and face. I suffered so much distress that I could not sleep. My face was red and swollen, and covered with dry, feverish scales. I was unable to attend to business for weeks at a time.

I had about given up all hope when I tried your remedy, Amolox. The first application gave me relief so I could sleep. After applying it for several days I was able to attend to business. After thirty days' treatment my eczema entirely disappeared.—James R. Rigby, Youngstown, O.

Amolox is the prescription of a physician who used it with wonderful success in his private practice. Now, for the first time, offered for sale by the leading druggists.

Amolox Ointment will quickly banish pimples on the face, blackheads, and all minor skin troubles. Chronic cases of Psoriasis, Salt Rheum, Tetter, that have suffered for years, require both the Ointment and Solution to effect a cure. Trial size, 50c. Guaranteed and recommended by the Orear-Henry Drug Co.

DAILY DEMOCRAT-FORUM

LARGEST CIRCULATION OF ANY DAILY PAPER IN ANY MISSOURI TOWN OF 5000 POPULATION

VOLUME 5. MARYVILLE, MISSOURI, FRIDAY, MARCH 26, 1915. NO. 254.

FAVOR A PICKED LYCEUM PROGRAM

LOCAL ASSOCIATION BELIEVES INDEPENDENT COURSE BEST.

ELECT OFFICERS; W. R. JACKSON, HEAD

Commercial Club Secretary Will Choose Three Committees to Arrange for 1915-16 Talent.

A regular meeting of the Maryville Lyceum association was held in the Commercial club rooms yesterday afternoon to elect officers for the ensuing year and to discuss plans for next season's offering. While no definite stand was taken, the general understanding among the eleven persons present was that the association could obtain better talent, though probably at greater cost, by working independently than by arranging with some lyceum bureau for the talent.

This matter will be left to the talent committee of three persons to be decided, with the stipulation that bookings should be made with a bureau, if one can be found which seems to offer the talent best suited to this city Otherwise, it was suggested that the association act independently of any bureau again this coming season.

Jackson Heads Association.

In the election, W. R. Jackson, secretary of the Commercial club, was chosen president to succeed Prof. G. H. Colbert, while Prof. W. M. Westbrook, city school superintendent, was re-elected vice president. The Rev. R. L. Finch succeeds the Rev. G. S. Cox as secretary, and Prof. Colbert will take the place of Prof. Ira Richardson as treasurer.

The three committees of the association will be appointed soon by President Jackson. The committees are on talent, advertising and sales of tickets and on general arrangements. Each will probably consist of three members of the association.

12 or 15 Representatives There.

The meeting yesterday was attended by the following representatives: The Rev. R. L. Finch, the Rev. G. S. Cox, the Rev. S. D. Harkness, W. M. Westbrook, W. R. Jackson, Prof. G. H. Colbert, Mrs. Eugene Ogden, of the Mutual Improvement Circle; Mrs. C. C. Corwin of the City Federation of Women's Clubs; Mrs. S. E. Farmer, representing the Parent-Teachers' association; Mrs. D. J. Thomas, representing the Twentieth Century club; Mrs. E. G. Orear, representing the Daughters of the American Revolution.

NORMAL SENIORS TO GIVE SHOW.

Real Circus Will Be Staged Tonight—to Be Annual Event.

The senior class of the State Normal school will give its annual circus in the Normal auditorium tonight, beginning at 8 o'clock. While it has never been definitely fixed as an annual event, one is generally held each spring, and it is the intention now to fully establish it as an annual event.

Each of the student organizations will be represented in the side shows and the school faculty also will put on a stunt. A parade headed by a brass band is planned to start the show off, while other paraphernalia and attractions incident to the real circus are on the program.

Market Live Stock.

F. R. Peoples of Skidmore, Roscoe & Eaton of Barnard and J. M. Slagle of Ravenwood marketed live stock in St. Joseph yesterday.

Mrs. Edward Hamlin and daughter, Isabel, returned last night from a few days visit with friends in St. Joseph

TO PICK TOWNSHIP RACERS

Many Nodaway Districts Will Choose Democratic and Republican Candidates Tomorrow.

The Democrats and Republicans of several townships in Nodaway county will choose candidates tomorrow afternoon for the various township offices to be filled in the elections to be held Tuesday, March 30. Those that did not choose the racers last Saturday or the Saturday preceding will meet tomorrow for this purpose.

Among the meetings tomorrow afternoon are:

Hughes Republicans at Graham opera house at 2 o'clock.

North Independence Democrats at Gaynor City at 1:30 o'clock.

South Independence Democrats at Parnell at 1:30 o'clock.

Hopkins Democrats and Republicans at Hopkins at 2 o'clock.

Washington Democrats and Republicans at Guilford at 2 o'clock.

Atchison Democrats and Republicans at Clearmont at 1:30 o'clock.

Union Republicans at Pickering at 1:30 o'clock.

Each will select a candidate for collector, constable, assessor, trustee, two justices of the peace and two members of the township board.

The only contest so far in the Democratic ranks in Hopkins township is for the office of collector, Frank Melick and Al Kysar aspiring for the nomination.

In the Republican camp there is a little more stir, there being four candidates for collector. They are Col. Porter, Edward Fike, Cecil Appleton and Edward Corwin. There are three candidates for assessor, they being Henry Wray, Harry Bollinger and Perry Chambers.

MAY MAKE ROAD REPAIR.

County Officials Inspect Highway Grade Near Burlington Junction.

The grade of the highway near the George Surface farm, southwest of Burlington Junction, may be changed to correct excavations made several months ago, following an inspection of the place this week by W. M. Blackford, presiding judge of the county court, and J. E. Reese, county highway engineer.

Some time ago a deep excavation had been made on each side of the road to get dirt for the grade, and these holes have been full of water for several months, making the road very muddy and at times almost impassable. According to present plans the water will be drained by a ditch going west to the large ditch near the McMackin land, or the grade will be raised so the water will not damage it.

SUE IS FOR POLL TAX.

City Says Delinquents Were "Dunned," But None Appeared With Excuse.

Suits for the collection of delinquent poll taxes were filed yesterday by City Attorney W. H. Crawford in Justice R. L. McDougal's court against J. E. Dale, Bard Frazer, D. E. Thompson, William Grammer, R. M. Cummings, Harley Swift, Ollie Laughlin, R. B. Campbell, A. J. Cozad, James Conklin, Jr., Roy O. Yeaman, Hugh Armstrong, George Hammond, George Ousley, Jesse Conklin, J. G. Stout, Dick Martin and Clarence C. Baker.

Each has been requested to pay, but failed to appear before the council with excuse or the tax money, it is alleged.

To Improve Clearmont Cemetery.

The Clearmont Cemetery Association, composed entirely of women, is making preparations this week, for a general improvement of the cemetery grounds as soon as the weather becomes more mild. One feature of the association is that no debts are ever contracted.

Mr. and Mrs. Bernard Vanscoy of Hopkins spent the day visiting in Maryville.

PLAY FINAL GAME

HIGH SCHOOL BASKETEERS MEET MOUND CITY TONIGHT.

PLAN 3 SPRING MEETS

Local Athletes Will Enter Normal Meet, a "Home" One, and Also May Contest at Tarkio.

The high school basket ball team left this morning for Mound City to play its final game of the season with the high school team of that place. The Maryville bunch will be greatly weakened by the absence of Scott, the regular center, from the lineup.

Two other players also were not able to make the trip on account of injuries, Harold Sawyers and Harley Hughes. Those who went are Fred Gray, Merle Selecman, Harry Tilson, Joe Farmer, Harry Messick and Kenneth Van Cleve. Coach Harvey Watson will have charge.

A meeting of those interested in track work was held Monday afternoon. Thirty-six boys attended the meeting, and since then a few more have signified their intention of coming out. Everyone is very enthusiastic about getting down to real training, and it looks now as though the local high school will turn out a fairly good track team this year.

Plan Three Athletic Meets.

Three meets are now in view for the Maryville team. Professor Porter of Tarkio college spoke to the boys at the high school Wednesday afternoon and gave the local school an invitation to send a team to the meet to be held at Tarkio on May 7. If the team shows up well this year the invitation will probably be accepted. The other two meets for the high school in the annual inter-scholastic meet to be held here April 23 and 24, and a "home meet," which will just be between the students of this high school. The date for this has not been decided upon.

The boys are training daily, outdoors when possible and in the halls and gymnasium of the high school building during bad weather. An excellent opportunity for the high school boys has been offered by H. P. Swinehart, track coach at the Normal, in an invitation to the high school to train with the Normal boys.

SOME FISH LAW CHANGES

Legislature Amends Several Features —Heavy Penalties for Violations Extend Squirrel Season.

The revision of the code laws governing the protection of game and fish is a law, as it has been signed today by Governor Major, the measure carrying an emergency clause, which was adopted by the general assembly

It makes numerous changes in the game and fish laws.

The open season for shooting squirrels under the new law will be from June to December

For quail and woodcock from November 10 to December 31

The dove season is from August 1 to November 10

These are the only changes in the game seasons. The bag limit for quail is ten per day, but permits twenty in possession after more than one day of shooting.

Selling game is prohibited as is the storing of game in a commission house, cold storage or other commercial establishment.

Soliciting illegal shipments of game or fish in any manner is prohibited under penalty of fine ranging from $50 to $200.

There are many changes in the law relating to fishing. The shooting of fish is prohibited, as are hand fishing, logging and rock fishing.

Gigging fish is prohibited during the months of January, February, March, April and December. In the season in which gigging is permitted not more than fifty pounds can be taken in that manner in one day.

April and May are the closed months for fishing and during these months fish can be caught only by single hook and line with natural bait.

All fish caught in seines and nets and not used must under penalty of fine be returned to the stream from which they were taken if too small for use and all game fish caught in minnow seines must be returned to the stream, and fish too large for bait must also be returned under heavy penalties for failure to comply with this provision.

John Mutz has returned from a three week's trip through California and western points of interest.

TURKS INSULT AMERICANS

U. S. Missionaries in Persia Were Beaten at Consul's Direction, Reported.

By American Press.

Tiflis, Russia, March 26.—Turkish troops have committed further acts of violence at the American Presbyterian mission in Urumiah, Persia.

Gordon Paddock, American consul at Tabriz, transmits a message from Missionary Robert M. Labree at Urumiah, to the effect that the Turkish consul at Urumiah forced his way into the mission compound with a number of Turkish regular troops and removed some Assyrian Christian refugees who were then massacred.

The Turks also beat and insulted the American missionaries.

HOLD MEN'S MEET SUNDAY

Presbyterian Evangelistic Services Well Attended—Special Music Tonight.

In addition to the regular services Sunday at the First Presbyterian church, a special meeting for men will be held in the afternoon and an address will be given by the pastor, the Rev. S. D. Harkness. The Rev. G. S. Cox, pastor of the First Methodist church, will sing.

Tomorrow night at 6 o'clock the Presbyterian business men of the city will hold a second personal workers' conference and supper, and this will be preceded by a fifteen minute prayer meeting at the D. E. Hotchkin store.

At the service tonight there will be a special musical program, which will include a solo by the Rev. Mr. Cox.

Last night the Rev. Mr. Harkness spoke from the subject "The Lost Christ." Miss Helen Todd sang the solo "Softly and Tenderly Jesus is Calling."

The text from which the Rev. Mr. Harkness spoke was "I go a fishing. We also go with thee," and he began his sermon by a description of the seven disciples standing upon the shores of Galilee, and followed by saying: "The place was one eloquent with the memories of days when Christ had been with them, and their minds and hearts were filled with the thoughts of the time, when on this identical spot Christ had walked upon the sea, rebuking the turbulent waves and when a great calm had come, He preached from Simon's boat to the multitude.

"The mountain to the back of them was the one into which Christ retired at eventime to pray. The place was one where a greater part of Christ's ministry was spent and when the disciples met again without Christ they felt their loss of Him.

"These men in their loss only typify the many men of the world who have lost Christ, either by an obtusion of soul or a paralysis of faith. Even when Christ is lost a sense of duty remains with these men. The only conception they had of their duty was that they should be fishers of fish.

"They were in possession of all facts to make themselves fishers of men and evangelize the world. But in their low plane of conception, all they understood was the necessity of making a living."

"The conception of duty may be small but clearly fixed. For instance, going to church may be a small thing, but through it Christ may be found. A discussion of religious life may appear to be a small thing, the embarrassed prayer of the penitent is a small thing, but through such small things to us Christ may be found.

"Christ is found through duty. He can supply all our needs and is a sufficiency for all our wants. When morning broke and the disciples went forth, Christ called to them to cast their nets on the right side of the boat, and they did, and the nets were filled. If we cast our net of faith into the sea it will come up filled with blessings and we will find Christ through duty."

Receives California Fruit.

A. L. Nash yesterday received a box of oranges from his uncle, George W. Long of Pomona, Cal., and he has been sharing the fruit with his various friends here. Mr. Long went to Pomona last fall and is making his home with his daughter, Mrs. B. F. Whipp. The fruit was of an extremely luscious sort and was sent with the special packing of "Orange day," recently celebrated in California.

Clearmont Has Diptheria.

A case of diptheria has been reported in Clearmont this week. The afflicted person is Mrs. Duncan, the wife of a harness maker who moved there from Omaha recently. No other cases are reported and every safeguard is being taken to keep it confined, it is said.

CONGRESS DID LOTS

MANY CONSTRUCTIVE MEASURES ADOPTED IN HARD SESSION.

NEW ERA IN BUSINESS

W. C. Van Cleve, Writing from Washington, Says Next Assembly Will Contain Few More Democrats.

(By W. C. Van Cleve)

Washington, D. C., March 22.—Although congress doesn't directly add more than three thousand people to the population of Washington during its sessions, yet the capitol section of the city takes on the appearance of a deserted village very soon after an adjournment of congress. As rapidly as members and regular employees can close up their business and clear their desks of unfinished work this big family scatters to the four corners of the nation.

Only a comparatively small number remain between sessions, which number includes an abbreviated force in the disbursing offices, the document rooms and folding rooms, elevator men and laborers, the house postoffice and the force under the custodian of the public buildings.

A number of congressmen still remain. Several are from adjoining states and a number are lame duck members who are nursing prospects for federal appointments. Several have already been taken care of and more are willing to be. Most of the old members were glad enough to get away, and lost no time in getting their effects to the railroad station.

* * *

The congress just closed was a record breaker in many ways. It was in session more days and more hours than any other congress in this country. It accomplished a vast amount of constructive legislation and did an enormous amount of hard work. It revised the tariff, it reorganized the banking and currency system of the country, it passed a complete revision of the immigration laws, it created the federal trade commission, it amended the anti-trust laws, passed the seaman's bill, provided by the development of Alaska and the building of a railroad there, enacted important laws relating to the merchant marine and many other measures of far reaching effect.

The postoffice appropriation bill and the Indian appropriation bill, both carrying important new legislation, failed in conference after passing both senate and house. The ship purchase bill failed because of the Republican filibuster. Altogether it has been the most industrious and productive congress yet held.

* * *

There will be about 140 changes in the house at the next congress, and the majority will be much less than in this congress, though the Democrats will still retain control. Just what influence the president can hold in the next congress remains to be seen. In the sixty-third his wishes were promptly met and he found the majority always upholding his administration.

Speaker Clark and Majority Leader Underwood supported him like a stone wall in every case except in the repeal of the Panama canal tolls act. In the next congress, however, the majority will only be about thirty and half of that number are Tammany men from New York. The president and Tammany have not been able to agree on New York patronage, and he has turned down their recommendations with great regularity until there is much growling in the tiger's lair. If the Republicans line up as they are expected to do there will be many hot scrimmages.

* * *

Despite a never ending train of adverse circumstances the business of the country is rapidly improving, and an era of unprecedented prosperity is due with the close of the European war. The recent blockade declared by the allies was the worst blow yet dealt to the commerce of this country. Yet, despite it all business has gone ahead, the exportations of American goods shows a handsome increase over last year, the trade balances in favor of this country continue to grow and foreign gold is rolling into our coffers.

The United States steel corporation, the biggest single business enterprise in the country, reports a promising outlook and activity has been resumed in the stocks of the company. The railroads are doing better, notwithstanding the universal and organized cry for increased rates, and many factories have reopened their doors and invited their workmen back. When the war is over, which we all hope will be soon, the United States will have the biggest world's trade it has ever known.

* * *

American export commerce for February exceeded by $100,000,000 the business recorded for that month in any previous year, according to figures given out yesterday by the department of commerce. The total for the month was $298,727,757, against $173,920,145 for February, 1914, and $198,844,326 for February, 1912, the previous high record February. The excess over imports for the month was $173,604,366.

February imports totaled $125,123,391, against $148,044,776 for the same month in 1914.

A review of the eight month period ending March 1, 1915, shows that imports have decreased 13.2 per cent and exports 3.7 per cent, compared with the same period of the preceding year. The result is a net favorable trade balance for the eight months of $577,756,278.

HOPKINS PICKS ORATOR

Miss Ica Applegate Will Represent High School in Normal Contest April 23.

Miss Ica Applegate was the successful contestant in the choice at Hopkins last night of a person to represent the high school of that city in the inter-high school oratorical and declamatory contest to be held at the Normal here April 23. But two others tried for the honor. They were Miss Frances Ditmer and Miss Ruth Ham. No boys were contestants.

Miss Applegate also represented Hopkins in the Nodaway county high school oratorical contest held at the high school here several weeks ago.

IS SLAIN BY TRAMPS

Son-in-Law of August Stelter of Clearmont Killed at Dennison, Texas.

Lewis Stelter, living near Clearmont, left last night for Dennison, Texas, called there by the death of his brother-in-law, John W. Rayns, who was killed yesterday at Fort Worth, Texas.

Mr. Rayns was a brakeman in the employ of the Missouri, Kansas & Texas railroad. Yesterday morning trainmen found the body of Rayns and another brakeman, Joseph Jackson, on the top of a freight car. They had been shot and their heads were crushed. It is believed they had tried to eject tramps from the train and were slain in the fight which followed.

Mrs. Rayns is a daughter of Mr. and Mrs. August Stelter of Clearmont and a sister of Mrs. A. H. Lemon, living northwest of Maryville.

MRS. C. C. SMITH DEAD.

Funeral Services Will Be Held Tomorrow Afternoon at Home.

The funeral services for Mrs. C. C. Smith, who died yesterday afternoon at her home, on Prather avenue, will be held at 2 o'clock Saturday afternoon at the family home, conducted by the Rev. R. L. Finch, pastor of the First Christian church. The interment will be made in Miriam cemetery.

Mrs. Smith had been ill for several months. Her death was due to pneumonia, which developed within the last week. She is survived by her husband and four children—Elsie, Mabel, Cecil and Gertrude. Another daughter died six years ago in this city. Mr. Smith is employed as janitor at the Normal.

BENEFIT PLAY FOR W. C. T. U.

"John Barleycorn" to Be given for Local Organization.

A benefit production of "John Barleycorn" will be given at the Fern theater on the night of April 2, for the W. C. T. U.

The picture is a filmized drama by Jack London, and is said to be the story of his own life. The picture has been secured by the W. C. T. U. for its moral and educational value, as well as the money benefit.

ITALY REFUSES AUSTRIAN OFFERS

EFFORTS OF GERMANY TO PACIFY LATIN COUNTRY FAILS.

DID NOT CONSIDER THE FINAL CESSION

Prince Von Buelow, German Ambassador, Resigns as Mediator Following Failure of Peace Parley.

By American Press.

Rome, March 26.—Efforts of Prince Von Buelow, German ambassador to Italy, to bring about an agreement between the Italian and the Austrian governments regarding the cession by Austria of territory in the south part of that country to Italy, to keep Italy from going to war, have definitely failed, according to the Agenziak National.

It says it is informed from a reliable source that when the last courier from Vienna brought Austria's final terms, they were of such nature that he didn't consider it worth while to submit them to the foreign office here.

It is reported that Prince Von Beulow has resigned the role of mediator between the two countries, following this inability to bring about any form of agreement between the two countries

Italy's demands upon Austria-Hungary as the price of peace include a sweep of territory to the north and east which would extend her boundary around the northern end of the Adriatic sea as far south as Fiume on the eastern coast. This would include the Austrian naval base at Pola, as well as the provinces of Trent and Triest, acquisition of which has been Italy's long cherished aspiration. The concessions which Austria is believed to be willing to make are insignificant as compared with the demands.

FIND U. S. SUBMARINE SUNK

Government Tugs Fasten Grappling Hooks to Sunken F-4 at 35 Fathoms Depth.

By American Press.

Honolulu, March 26.—Early today the government tug Navajo, which was assisted by another tug, in sweeping the bottom of the harbor, two miles from Honolulu, with grappling hooks, in an effort to find the submerged U. S. submarine F-4, reported their lines fast at a depth of thirty-five fathoms, to what was believed to be the lost American submarine.

It cannot be determined yet whether the crew is still alive, nor what caused the forced submersion.

TWO MORE FOR CITY JOBS.

M. A. Peery for Third Ward Alderman —Ed F. Hamlin for First Ward

Two more Democrats announced their candidacies this morning for city councilmen, subject to the general election to be held Tuesday, April 6. M. A. Peery, former county title examiner and who is connected with the Sisson Loan & Title Company, seeks the Third ward aldermanic position.

Ed F. Hamlin, former Polk township assessor, would be councilman from the First ward.

Parnell Horses Win Again.

"B. A. Jones," one of the running horses of Ben Jones of Parnell, took first money at Juarez, Mexico, last Friday and "Trulane," another of his horses won third according to the Parnell Sentinel. "Laughing Water" won second Saturday. "Julia L," the filly that caused a great sensation the first of the year, won first money Sunday. This young filly has been in a number of races and has lost but one and the track was very muddy. "Blue Racer," another of his favorite horses, took first money in the second race Sunday Parnell horses are always at the top.

200 MEN TO FEAST

CHRISTIAN CHURCH BROTHERHOOD CELEBRATES CAMPAIGN.

IOWA PASTOR TO SPEAK

The Rev. F. S. Idleman, Des Moines, to Make Address Tonight—Defeated Team Will "Wait Tables."

Approximately 200 men will sit down to a banquet in the First Christian church at 7 o'clock tonight, in celebration of a membership campaign closed recently with the addition of 232 members to the Men's Brotherhood of the First Christian church. The food will be served by members of the Ladies' Aid society, while the waiting service will be performed by nineteen members of the defeated team in the membership campaign.

Following the banquet, an address will be delivered by Dr. Finis S. Idleman, pastor of the Central Christian church at Des Moines, Ia. Ellis G. Cook, captain of the defeated membership team, will act as toastmaster. George Pat Wright, the Rev. Robert L. Finch, pastor, and Fred P. Robinson each will make a short talk preceding Dr. Idleman's address. Music during the banquet will be furnished by the Sunday school orchestra.

To Dine in Groups.

The different groups of banqueters will be arranged at separate tables, according to present plans. One table will be provided for visitors, one or two for new members of the church, one for visiting ministers and presidents of the various church brotherhoods of the city, another for members of the Men's Brotherhood who do not belong to the church, and still another for members of both the brotherhood and church.

Those composing the defeated membership team, who will "wait tables" tonight, are: Edward Gray, John McDougal, F. L. Flynt, Walton C. Frank, W. H. Gilbert, W. E. Goforth, Herschel Wiles, Arthur S. Robey, W. B. Porter, U. S. Wright, J. H. Vanhorn, James D. Frank Eugene Rathbun, O. W. Swinford, W. W. Glass, A. E. Bell, William Armstrong, Virgil Lyle and Ellis G. Cook.

In the campaign the team captained by G. B. Roseberry secured 142 members, while Cook's team obtained the remaining ninety members.

IF MEALS HIT BACK AND STOMACH SOURS

"Pape's Diapepsin" Ends Indigestion, Gas, Dyspepsia and Stomach Misery in Five Minutes.

If what you just ate is souring in your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can get blessed relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diapepsin, then you will understand why dyspeptic troubles of all kinds must go, and why they relieve sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapepsin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but, what will please you most, is that you will feel that your stomach and intestines are clean and fresh ,and you will not need to resort to laxatives or liver pills for biliousness or constipation,

This city will have many "Pape's Diapepsin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia, or any stomach misery.

Get some now, this minute, and rid yourself of stomach trouble and indigestion in five minutes.

To the Voters of the Third Ward,

Maryville, Mo.,

Gentlemen:—Having been solicited by many of the voters of this ward to become a candidate for Alderman of said ward, I have agreed to do so and hereby announce that I will be a candidate at the polls at the city election April 6th, 1915, for Alderman of said ward, Maryville, Mo.

SHOULD DRAG ROAD

FARMERS URGED TO PREPARE BEFORE SPRING RAINS.

WORK TO STOP IT SOON

Farm Operations Will Keep Rural Residents Too Busy in Few Days to Watch Highways, Argued.

Drag the roads now.

That is the edict that goes out from persons versed in the gentle art of rubbing down the rough spots and muddy gulches of the public highways. And many farmers over Nodaway county are heeding the advice, but there yet are many, many miles of roads in this county which will perhaps go undragged and unattended as they should be at this time, it is said.

One reason why it is believed many of the roads will be slighted is that just as soon as the farmers can get in the fields they will do so, and leave the roads "go hang." And one cannot blame them, either. For oats should have been sown and up by this time, while gardens should be planted and the spring plowing for corn should be under way.

Drag Before Fields Are Ready.

So that just as soon as the ground can be worked every farm horse and farm hand will be there from soon after sun up until nearly sun down, making up for lost time. The roads will need dragging everywhere, all realize that—but that will have to be done before the fields can be worked. For that reason it is being urged that the dragging be done now, before they become too dry and the clods form.

For use on the roads before a split log drag can be properly used, because of the mud, one road expert has given this advice:

"The best drag for immediate use is the float, so shaped that when it is run over the mud it will mash the bumps and rugged places down into the ruts and make a smooth surface. The moisture will be squeezed out of the ground and thus the drying of the roads will be materially hastened.

Is Easily Constructed.

"The float which is used for this purpose is constructed like an ordinary boy's sled, with the exception that the floor is on the other side of the runners. One built on a small basis will best answer the needs of local conditions at present, highway authorities believe.

"This float may be pitched by the shifting of the weight; of, if extra weight is not used, by the shifting of the man's person to the rear of the upturned sled. Thus, instead of dragging, the float will have a tendency to mash the mud down into the roadbed and squeeze the water out where it will be given a chance to run off.

"The weighting of the float and its size will depend entirely on the condition of the mud. But the mud masher and water squeezer should be used as soon as the mud is sufficiently stiffened to hold up the concern."

FRECKLES

February and March Bring Out Unsightly Spots—How to Remove Easily.

The woman with tender skin dreads February and March because they are likely to cover her face with ugly freckles. No matter how thick her veil, the sun and winds have a strong tendency to make her freckle.

Fortunately for her peace of mind the recent discovery of a new prescription, othine—double strength, makes it possible for even those most susceptible to freckles to keep their skin clear and white. No matter how stubborn a case of freckles you have, the double strength othine should remove them.

Get an ounce from your druggist and banish the freckles. Money back if it fails.

Any business or enterprise which is not paying its owner a profit is a detriment to its owner. No line of business can be run at cost. All parties engaged in trade expect a fair profit on their investment and labor and should be willing to pay the other fellow a fair profit in like manner.

That I have never made more than a fair profit with the Union Bus Line is easily proven by the fact that I am not the possessor of wealth today and pencil and paper would soon convince even one unacquainted with my business that my prices have at all times carried but a small margin of profit.

I have maintained a line of cabs to be used for the most part for funerals. There has never been a day when these cabs made me any money. HOW FRENCH PEOPLE CURE STOMACH TROUBLE.

A household remedy of the French peasantry, consisting of pure vegetable oil, and said to possess wonderful merit in the treatment of stomach, liver and intestinal troubles, has been introduced in this country by George H. Mayr, who for twenty years has been one of the leading down-town druggists of Chicago and who himself was cured by its use. So quick and effective is its action that a single dose is usually enough to bring pronounced relief in the most stubborn cases, and many people who have tried it declare they never heard of anything to produce such remarkable results in so short a time. It is known as Mayr's Wonderful Remedy and can now be had at all leading drug stores. It is sold with the positive understanding that your money will be refunded without question or quibble if ONE bottle fails to give you absolute satisfaction.

WILSON TO METHODISTS

President Declares It Possible For Nation to Be Impartial.

Washington, March 26.—Full confidence in the great body of calm people of the nation who serve as "stabilizers" when the excitable ones try to "rock the boat" in these perilous days, was voiced by President Wilson in an address before the Baltimore conference of the Methodist Episcopal church.

The president appealed to the nation for support in administering his office, saying, "If I can speak for you I am powerful, if I cannot, I am weak." He said it was possible for a people to be impartial "when a quarrel is none of theirs." Referring to the danger to missionaries in some foreign lands, of which he said he had thought much of late, he added:

"Wars will never have any ending until men cease to hate one another, cease to be jealous of one another and get the feeling of reality in the brotherhood of mankind, which is the only bond that can make us think justly of one another and act righteously before God himself."

A Child's Prayer to Mother.

"For the body you gave me, the bone and the sinew, the heart and the brain that are yours, my mother, I thank you. I thank you for the light in my eyes, the blood in my veins, for my speech, for my life, for my being. All that I am is from you who bore me.

"For all the love that you gave me, unmeasured from the beginning, my mother, I thank you.

"For your smile in the morning and for the tears you have shed over me, the songs that you sang to me, the prayers you said for me, for your vigils and ministerings.

"For the faith you had in me, the hope you had for me, for your trust and your pride, my mother, I thank you. I thank you for your praise and your chiding, for the justice you bred into me and the honor you made mine. All that I am you taught me.

"For the fears I gave you, for the alarms and the dreads, my mother, forgive me. Forgive me the joys I deprived you, the toils I made for you; for the hours, the days and the years I claimed from you, mother, forgive me.

"For your lessons I did not learn, for your wishes I did not heed, for the counsel I did not obey, my mother, forgive me. Forgive me my pride in my youth and my glory in my strength that forgot the holiness of your years and the veneration of your weakness; for all the great depths of your love that I have not paid, mother, sweet mother, forgive me.

"And may the peace that passeth all understanding be yours, my mother, forever and ever."

Enjoys First Birthday.

Mary Louise Swinehart, the daughter of Prof. and Mrs. H. P. Swinehart, celebrated her first birthday anniversary yesterday, and to make the day pleasant she entertained at a 6 o'clock dinner last night, Virginia and Leola Miller, the daughters of Dr. and Mrs. Jesse Miller.

Mrs. Staples Hostess.

Mrs. Florence Staples entertained the members of the Ladies' Aid society of the First Presbyterian church with a quilting party and tea at her home, on South Buchanan street, yesterday afternoon. A short business meeting preceded the social time, and officers were elected for the coming year. Those chosen were Mrs. O. L. Holmes, president; Mrs. W. H. Crawford, vice president; Mrs. Gallatin Craig, secretary, and Mrs. J. H. Eckles, treasurer.

Indoor Picnic Supper.

The class of the First Christian Sunday school taught by W. A. Miller, enjoyed an indoor picnic supper given at the church last night and at its conclusion formed a picture show party. The girls were chaperoned by Mr. and Mrs. Miller and Mrs. M. T. Henderson and the party included the Misses Edna Ward, Marie Davenport, Gladys Morehouse, Doris Goforth, Blanche Landfather, Mary Miller, Virginia Lawson, Virginia Robinson, Mary Margaret Richey, Etha Henderson Sterrill Bishop, Claudia Hughes, Wilda Keefe, Marie Rice, Clarissa Whaley, Irene Maxwell, Edna Harmon, Ilene Carr, Mildred Eckert, Bernice Westfall Floy Saunders, Edna Hilsabeck, Helen Smith and Gladys Hahn.

Mrs. Braniger Hostess.

Mrs. R. S. Braniger entertained the members of the Women's Relief Corps with a silk rag tacking party and tea yesterday afternoon at her home. Immediately upon arrival the guests presented Mrs. Braniger with an immense bunch of pink carnations. Mrs. J. B. Moore was awarded the prize for sewing the shortest rag. During the afternoon a pleasing musical program was presented by Mrs. Laura Alexander. In serving, Mrs. Braniger was assisted by Mrs. J. M. Smith, Mrs. J. G. Price and Miss Ola King. Those who enjoyed Mrs. Braniger's hospitality were Mrs. M. E. Farrar, president of the corps, Mrs. Laura Moore, Mrs. Jennie Reese, Mrs. Linnie Ford, Mrs. L. L. Catterson, Mrs. G. Maier, Mrs. Mary Hook, Mrs. Dora Holbrook, Mrs. Katherine Gregory, Mrs. Mary J. Gault, Mrs. Eliza J. A Talk to Mothers About Croup and Cold Troubles

The New Treatment With Fresh Air and Antiseptic Vapors That Does Away With Injurious Internal Medicines, Flannel Jackets. etc., etc.

All mothers are "home doctors" when it comes to treating the croup and cold troubles that all children are heir to. They know that growing children need outdoor exercise, and that, with outdoor exercise, some colds are bound to come. They know, too, that internal medicines injure delicate little stomachs, but that these colds must have some kind of treatment.

The answer to this problem is the "external" treatment, Vick's "Vap-O-Rub" Salve. For the many forms of cold troubles, from head colds, asthma and catarrh, down to sore throat, bronchitis and deep chest colds Vick's will be found better than internal medicines. Just apply Vick's well over the throat and chest, covering with a warm flannel cloth. Leave the covering loose around the neck so the vapors, released by the body heat, may be freely inhaled. The next morning the head is clear, phlegm loosed, and soreness gone.

No one realizes the value of an external treatment better than the skilled druggist, and while the profit is not as large on Vick's "Vap-O-Rub" as on internal preparations, the druggists listed below are anxious that their customers should know of this new treatment. They are, therefore, offering Vick's in the three sizes—25c, 50c or $1.00, on 30 days' trial. With each sale is given a refund blank—good for your money back if not delighted.

Wooltex Tailored Suits and Coats

in Fullest and Finest Assortments now

IT is most gratifying to make the important selection of a new spring suit or coat while our collections of Wooltex garments are at their height; for naturally we cannot undertake to keep continuously in stock such a large variety of models as is now on exhibition.

Suit No. 1720

THE picture illustrates Wooltex suit No. 1720—a very effective youthful model, which is equally becoming to all slender women. The jacket is in Polo effect, moderately full, with smart pockets on both jacket and skirt. Materials are checks, poplin and covert.

Every day you wait shortens the time of service which the new garment will give you, and likewise every day you wait takes off something of the enjoyment of possessing the new styles while they are at their height.

Women who have been to see the Wooltex exhibition express their delight over the moderateness of the prices that are marked on garments of such excellence and refinement.

The hand-tailoring at the vital points in the apparel, which gives permanency to the shapeliness of the garment, is a Wooltex feature of added cost in the production, which it seems amazing to secure at such moderate prices.

If you have not yet seen our full spring exhibition of Wooltex garments, come at the first moment you can, whether you anticipate buying or not. An equally hearty welcome if you come only to see the new styles.

WILL OBSERVE PALM SUNDAY.

First Methodists to Hear First Special Sermon—Many Musical Numbers.

Palm Sunday will be especially observed at the First Methodist church. At the morning hour of worship there will be a baptismal service and the reception of new members, which will be held before the usual order of services. The musical program will be taken from "The Crucifixion," by Stainer.

The selections will include a baritone solo, the recitative "Could You Not Watch With Me," a chorus number, "Teach Us to Pray," and a baritone solo, "God So Loved the World." The sermon subject of the pastor, the Rev. G. S. Cox, will be the third of the series on the apostle's creed, "I Believe in the Suffering, Death and Burial of Christ." The hour will conclude with a communion service.

Sunday night will be the first of the Passion Week services, and the Rev. Mr. Cox will take for his sermon subject "Behold the Man," taken from the general topic for the week, "The Testimony of His Enemies." The musical program will be an anthem, "They That Sow in Tears," and a solo by the Rev. Mr. Cox.

ADVISE LESS WHEAT EXPORT.

Say Continuance of Foreign Grain Shipments May Endanger Home Stock.

Warning that the present heavy exports to European nations of American wheat and flour cannot be continued without endangering wheat supplies for food and seeding requirements at home is contained in the department of agriculture's agriculture outlook. In the opinion of the department's experts exportation at the same rate as during December, January and February until the coming of the new wheat crop would encroach upon domestic needs.

Investigation has disclosed that there was on March 1, an apparent surplus of 91,000,000 bushels of wheat over domestic requirements for food and seed that was available for export in the four months from March 1 to July 1.

While the exports of wheat including flour, during these four months last year, were 36,000,000 bushels, it is pointed out that those exports during December, January and February last averaged 35,000,000 bushels per month, and if that rate of export is continued until the new crop is available it would amount to 140,000,000 bushels.

The department's investigation did not include inquiries into stocks of flour, but the opinion expressed that they do not show so much reduction as wheat stocks. A factor in the situation indicated by the department is that the Southern states have greatly increased their wheat acreage, the crop of which will be marketable before July 1, and will have the effect of increasing the available supplies between now and that date.

You Can Help

The assistance of our patrons and the people of Maryville is earnestly solicited in reporting immediatly either when their house lights refuse to burn or when a street light is out. Do not wait for us to discover the trouble or for a neighbor to phone; report direct to the office at once. It is easier to fix the trouble early than late. Do not think that when your lights are out that the plant is shut down, that happens so seldom you need not take it into account the cause is usually either on your own premises or on the lines in your neighborhood. Always try your lights immediately after a wind or thunderstorm so you can report any trouble at once.

FEAR U. S. SUBSEA CREW IS LOST

AMERICAN SUBMARINE F-4 LOCATED AT 120 FATHOMS.

CARRIES TWENTY-FIVE MEN ON BOARD

No Signal Heard from Submerged Craft Near Honolulu, and Apprehension Exists Men Suffocated.

Honolulu, March 26.—The American submarine F-4, which was submerged at 9:15 a. m. yesterday two miles off Honolulu harbor, with twenty-five men aboard, was located lying at a depth of 120 fathoms.

Attempts to bring the vessel to the surface with grappling hooks had failed. No signal bells had been heard from the submerged craft and this fact led to fears that the submarine's tanks had burst, suffocating the crew with sulphuric acid fumes.

It was pointed out that a submarine's bell has a wide range and could be heard readily if signals were given.

Rear Admiral Charles B. T. Moore, commanding the Honolulu station, said the men on the F-4 would be in no danger of suffocation ordinarily for at least twenty-four hours, and that if the vessel's air apparatus remained in good order the crew might live a week submerged. He said, however, that the F-4 lacked food supplies.

The F-4 was commanded by Lieutenant Alfred L. Ede.

With three others of the "F" group, the 1, 2 and 3, the F-4 was engaged in target practice. It was not regarded as unusual that the F-4 should remain under water for an hour or more in the course of the maneuvers, but when noon came and the vessel was still submerged anxiety began to be felt. This increased as the afternoon wore on and the other submarines began a systematic search for the F-4. The naval station was notified and other vessels were sent out to aid. Most of the twenty-five men abroad the F-4 are married and have families.

MOTHER! THE CHILD IS COSTIVE, BILIOUS

Don't hesitate! A laxative is necessary if tongue is coated, breath bad or stomach sour.

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your little one is out-of-sorts, half sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrup. Ask your druggist for a 50-cent bottle of "California Syrup of Figs;" then see that it is made by the "California Fig Syrup Company."

Meet me at the circus tonight.

SUFFERED 15 YEARS, CURED IN 21 DAYS

Astounding Cures Made by This Remarkable New Discovery.

Gentlemen: For over fifteen years I was afflicted with eczema, covering my arms, legs and face. I suffered so much distress that I could not sleep. My face was red and swollen, and covered with dry, feverish scales. I was unable to attend to business for weeks at a time.

I had about given up all hope when I tried your remedy, Amolox. The first application gave me relief so I could sleep. After applying it for several days I was able to attend to business. After thirty days' treatment my eczema entirely disappeared.—James R. Rigby, Youngstown, O.

Amolox is the prescription of a physician who used it with wonderful success in his private practice. Now, for the first time, offered for sale by the leading druggists.

Amolox Ointment will quickly banish pimples on the face, blackheads, and all minor skin troubles. Chronic cases of Psoriasis, Salt Rheum, Tetter, that have suffered for years, require both the Ointment and Solution to effect a cure. Trial size, 50c. Guaranteed and recommended by the Orear-Henry Drug Co.
